MASSRECYCLE 23rd Annual Recycling Awards 2018 Instructions

MASSRECYCLE is soliciting nominations for the 23rd Annual Recycling Awards that recognize outstanding achievements in and contributions towards recycling and waste reduction in Massachusetts. Awards will be presented at the MASSRECYCLE 2018 R3 Recycling & Organics Conference & Tradeshow on March 26th at the Sheraton Framingham during lunch.

Nominations must be submitted to director@massrecycle.org by January 31st. No exceptions!

Criteria to apply

- Person or organization must be based in Massachusetts or do business in Massachusetts.
- Programs must have been in existence for at least one year.
- Self-nomination allowed and encouraged.
- Prior winners during the past five years for the same category will not be accepted (distinct new programs excepted).

Nomination Evaluation

The Individual, K12, Municipal, and Institution/University categories will be selected by the Awards Committee. The Business category will be selected via an online vote with voting restricted to once per day. The Public Servant category will be selected by the MASSRECYCLE Board of Directors.

Evaluators will take into account metrics, population served, and notable challenges. Nominations that clearly demonstrate **innovation, leadership, and social impact** have the greatest chance to win.

Nominations must adhere to the word and attachment limits. MASSRECYCLE reserves the right to completely disqualify a nomination or disregard materials that fail to meet the stated guidelines or that are submitted after January 31st.

Award Categories

1. **Individual** – Presented to an individual who deserves special recognition for contributing to recycling and/or waste reduction in Massachusetts through leadership, sharing knowledge with others, or other avenues.
2. **K-12** – Presented to a K-12 school or school district that has implemented an outstanding recycling or waste diversion program and/or driven change in the local municipality.
3. **Municipal** – Presented to a municipality that has developed an outstanding municipal recycling program. Recycling Dividends Program metrics encouraged. Innovation, leadership and/or overcoming political obstacles highly weighted.
4. **Institution/University** – Presented to an educational, healthcare, government, nonprofit, or other organization or facility that has developed and is operating an outstanding recycling and/or waste reduction program.
5. **Business** – Presented to a traditional business that has developed and operates an outstanding recycling/waste reduction program that increases recycling and/or reduces waste generated by their business.
6. **Public Servant** – Presented to a politician or government official that has demonstrated great leadership in pushing forward waste reduction and recycling in the Commonwealth through implementation of innovative programs or legislation.
