

KEEP AMERICA BEAUTIFUL AFFILIATE

Litter Cleanup Captains Needed!

Keep Massachusetts Beautiful is looking to hire one or more people to serve as “cleanup captains” for litter cleanups we'll be organizing around the state this year. This would involve:

- Setting up a table at cleanups we organize all around the state
- Delivering and handing out supplies
- Communicating with volunteers to assign them cleanup routes, deliver safety instructions, etc.
- Communicating with local DPW staff
- Coordinating supply returns

Most of these events will take place on Saturday mornings. A stipend and allowance for gasoline will be provided. Email neil@keepmassbeautiful.org for more details.
