S A F E D I S P O S A L

FREE* PICKUP:

Call Complete Recycling Solutions
1-866-277-9797 ×705
**For elemental liquid mercury only, and location depending.*

COMMONLY FOUND IN:

- GARAGES
- STORAGE AREAS
- ATTICS/BASEMENTS

WARNING:

If you have Elemental liquid mercury, do not throw it in the trash.
Mercury must be kept in glass or plastic jars as it will corrode a metal container.
If spilled, mercury can vaporize and be inhaled into your respiratory system.
